Eligibility
All team members must have a current DAPER membership and be either:
-A MIT undergrad or grad student who is registered for the semester
-A member of the Staff, Faculty, Instructors, Lecturers or Post Docs
-A member of MIT Alumni Club of Boston (MITCOB) who is registered with DAPER
-A spouse or partner of any eligible player who has an active DAPER membership

Varsity/Club Sport Eligibility
After gaining permission from their coach, members of MIT club or varsity teams may ONLY compete in the highest level league offered (ie B league if no A league is offered) in the same sport as their varsity/club sport. These members are eligible to participate in any B or C League as well as any A League of a sport different from their varsity or club. In the event that only 1 general league is offered for the IM sport, then varsity and club sport members are ineligible to compete in the same sport as their varsity/club sport.

IM participants may only compete on one team in each league per sport. Roster changes may be made up to the start of playoffs. During this time, players may join, quit, or switch teams. Once playoffs begin, rosters will be locked.

Leagues
Here are basic descriptions of levels of skill and competition within each league. Leagues may be combined or split at manager’s discretion. Champion t-shirts are awarded to A & B Leagues. See ‘Number of Players’ section for how many t-shirts will be awarded.
A – Open to men and women with no male-to-female ratios. Experienced players who may have been playing together for some time
B – Open to men and women with no male-to-female ratios. Majority of team has played the sport but not necessarily on a formal team
C – Open to men and women with no male-to-female ratios. A casual league for those who have never played or wish to play leisurely
Co-Rec – An intermediate level league (approx B level competition) which has specific male-to-female ratios during play. See ‘Number of Players’ section for male-to-female ratios.

Sportsmanship
-Proper sportsmanship is expected of all teams at all times.
-Most MIT intramural leagues are not refereed. The captains are expected to control the behavior of their team members.
-The sport manager reserves the right to remove any player or team from the league without prior warning if there are any incidents of unacceptable sportsmanship.
-Any complaints should be reported to the manager immediately.
-If opposing team’s sportsmanship was below acceptable, submit the Google form provided by the IM manager so the situation can be reviewed.
-Unsportsmanlike ratings will have playoff and participation implications.

Reporting Scores
-It is the responsibility of the WINNING team’s captain to record the score on IMLeagues.com It will be assumed that there was a double forfeit if no score is recorded 24 hours after the game was played.

Forfeits
-If the minimum number of players are not present by game time, the other team has the option of calling a forfeit on that team OR waiting 10 minutes.
- If a team does not have the minimum number of players by 10 minutes past the scheduled game start, it counts as a forfeit.
- The penalties associated with a forfeit can be avoided by communicating to the sport manager and opposing captain that you will not be able to field a team. Further advance notice reduces the penalty, as it gives the manager a better opportunity to use that field/court time for other games:
  * More than 72 hour advance notice results in no penalty. We will try our best to reschedule the game but are limited by facility space. If the game cannot be rescheduled, it will not count towards your record.
  * 24 - 72 hour notice results in loss if game cannot be rescheduled (but no fine)
  * Less than 24 hour notice results in forfeit and fine

**Fines**
- Fines will be issued according to the IM Handbook Section XII. Refer to the handbook for more information.
- Failure of either team to commence play at game time will cause either or both of them to be charged with a forfeit and a corresponding fine.
  - Failure to attend captain’s meeting: $15
  - Dropping out of league (once games have been scheduled): $75

**Injuries**
- Most intramural games are played on campus within the Z Center facilities. If an injury occurs, send a teammate to summon help at one of the desks within the Z Center. The Z Center staff can provide 1st aid and summon additional help if needed.
- Please report any injuries to the Intramural Office via the Injury Report Form (http://bit.ly/1VwUyAD)

**Number of Players**
- MIT intramural teams are open to men and women, and there are no male-to-female ratios that need to be adhered to, except in the co-rec leagues.
- All players must register on IMLeaues.com before playing in a game.
- Games are played 4 vs 4. 4 players are needed to start a game. Teams must have at least 7 players on the roster to ensure enough can show up for each game.
- Champions in A and B Leagues will receive t-shirts; regardless of players registered, no more than 12 shirts will be issued.
- CoRec guidelines: N/A for unhoc

**Playoffs**
A & B leagues will have playoffs. Unless the manager requests special conditions, the following guidelines will be used in all IM sports for determining qualifications for playoffs:

1. Total points (a) two points for a win (b) one point for a tie (c) no points for a loss
2. Head-to-head result
3. Goal differential (in case of less common scoring system, the manager will determine the method of goal scoring)
4. Goals for/Goals against
5. Coin toss

**Field**
- All matches will take place on the MAC Court. The yellow basketball baselines will serve as the goal lines.

**Equipment**
- Balls, sticks, and goals will be available at the Z Center in a locked container near the MAC Court. The code to this container will be given to team captains.
- It is the responsibility of each captain to make sure all equipment is put away if you don't see that other intramural teams are waiting to play.
-Teams will be responsible for any equipment that they intentionally damage; if equipment becomes or already is damaged, inform the manager immediately.
